

COMMEMORATION PROGRAM AT THE SOUTH STEPS OF THE TEXAS STATE CAPITOL

National Anthem

O say, can you see, by the dawn's early light, what so proudly we hailed at the twilight's last gleaming? Whose broad stripes and bright stars, through the perilous fight,

O'er the ramparts we watched, were so gallantly streaming? And the rockets' red glare, the bombs bursting in air, Gave proof through the night that our flag was still there. O say, does that Star-Spangled Banner yet wave o'er the land of the free and the home of the brave

God Bless America

God bless America, Land that I love. Stand beside her and guide her through the night with the light from above from the mountains to the prairies to the oceans white with foam
God bless America, my home sweet home.
